

COMPLETION ECONOMICS

€5.0m

COMPANY EXPENDITURE ON
THE PROJECT TO DATE

€10.715m

REMAINING COMPLETION &
COMMERCIAL LAUNCH
REQUIREMENT

≈5-7 YEARS

INDICATIVE PAYBACK UPON
REACHING PLANNED OPERATING
CAPACITY

The current funding requirement is defined around completion and commercial launch of the dairy platform.

The €10.715 million requirement covers the remaining project scope necessary to complete construction, procure and install required equipment, provide for livestock procurement and prepare the platform for commercial operation.
